## Course overview

Empower yourself with practical skills to manage your money, make savvy shopping decisions, and master the art of budgeting with our Money Management Essentials course. Explore everyday scenarios like comparing prices, optimizing transportation costs, and meal planning, gaining insights to navigate personal finance confidently. With interactive lessons, practical exercises, and flexible learning, this short course is tailored for beginners and those seeking to refine their financial literacy. Join us on the path to financial empowerment and take control of your financial future today!

## Course description

Money Management Essentials

Unlock the language and communication skills essential for comprehending your spending habits and articulating your financial intentions with our Money Management Essentials course. Delve into crucial topics such as budgeting, day-to-day practicalities including shopping, travel, and meal planning, deciphering bills and financial documents, and mastering common everyday tasks like measurements and estimations. Moreover, discover strategies to stretch your finances further while engaging in discussions on spending, saving, and budgeting techniques.

Guided by a dedicated tutor and collaborating within a supportive small group setting, this concise two-lesson course is tailored for individuals seeking to bolster their skills, knowledge, confidence, and articulation regarding personal finance management. Whether you're a novice or aiming to refine your understanding, this course caters to diverse skill levels and learning aspirations.

Furthermore, completion of this course paves the way for further exploration in a longer budgeting course, offering an opportunity to deepen your comprehension and proficiency in financial management.

Enrol today to embark on a transformative journey towards financial literacy and empowerment!

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
