

Projects Day

Would you like to find out more about projects and how you can get involved?

Do you have an idea for a project but you're unsure how to get it funded?

Do you provide support - including admin or finance - to a project but would like to develop a broader understanding of project work?

If the answer to any of these questions is 'yes', the first WEA Projects Day is for you.

The WEA Projects Day will cover:

- Information on current project activity
- Practical ways to get involved in project work
- Tips on how to develop project ideas
- How to research funding opportunities
- How to develop project budgets
- Pointers on how best to manage a project
- Good practice in monitoring and evaluating project work
- How to promote your project and how to generate evidence of impact

This regional event is open anyone in the WEA with an interest in project work.

Tutors and voluntary members are also welcome to attend the event but places are limited.

At Sheffield Learning Centre

Thursday 1

July 2010

10.00am - 3.00pm

Lunch included
