

# Learn the WEA way. Your way.

Welcome to the UK's largest voluntary sector provider of adult education. At the WEA, we believe all adults should have access to the opportunities of education, right on their doorstep. With 2,000+ dedicated tutors, 3,000+ active volunteers and supportive members, we spread our impact nationwide.

Together, we believe in access to adult learning for all. We believe in lifelong learning for all. And, we believe adult learning counts towards a better, fairer society for all.

Whether it's about feeling better equipped with the skills to take on tomorrow, or it's simply learning and debating ideas for the joy of it – we're here, together, to make good things happen in our communities and to our society.

All you need to bring is your willingness and excitement to learn.

**Enrol today**  
[wea.org.uk](http://wea.org.uk)

or 0300 303 3464

You will need your credit/debit card available as course fees (where applicable) are taken at the time of enrolling.

It is really quick and easy to enrol online. You will need to set up an online account for this which you can do very quickly at the time you enrol, via our website which is safe and secure.

We recommend you enrol early to avoid disappointment. Our courses are advertised on our website [wea.org.uk](http://wea.org.uk). More courses are added all through the year so it's worth checking regularly.

### Can I enrol in person?

Most courses will require you to enrol in advance of the course. If there are still places available on a course this will be shown in the course information on our website, or alternatively you can ring and check beforehand. Some courses require you to attend an initial assessment session to ensure you are enrolling onto the most suitable course for you, but we'll make that clear in the course details if this is the case.

### Are classes reliant on size?

Yes. If numbers are too low the course may be cancelled or re-arranged to another time.

### I have some questions. Who do I ask?

Take a look at our website [wea.org.uk](http://wea.org.uk) or give us a call on **0300 303 3464**.

### We offer information and advice about:

- ▶ Choosing the right course
- ▶ Fees and financial support
- ▶ Learning support
- ▶ Progression
- ▶ About the WEA

Please visit our website [wea.org.uk](http://wea.org.uk) to find out more.

### I'd love to do a course but I can't afford it. Can you help?

We want our courses to be within reach of all adults, so you may be eligible for financial support if you are on a low income or receive income-related benefits. This could include help with childcare, travel costs, exam fees, books, costs of field trips and tuition fees under certain circumstances.

### What if I have a disability, learning difficulty, health issue or other support needs?

If there is anything you think you may need support with you can indicate this when you enrol.

### Do you choose accessible venues?

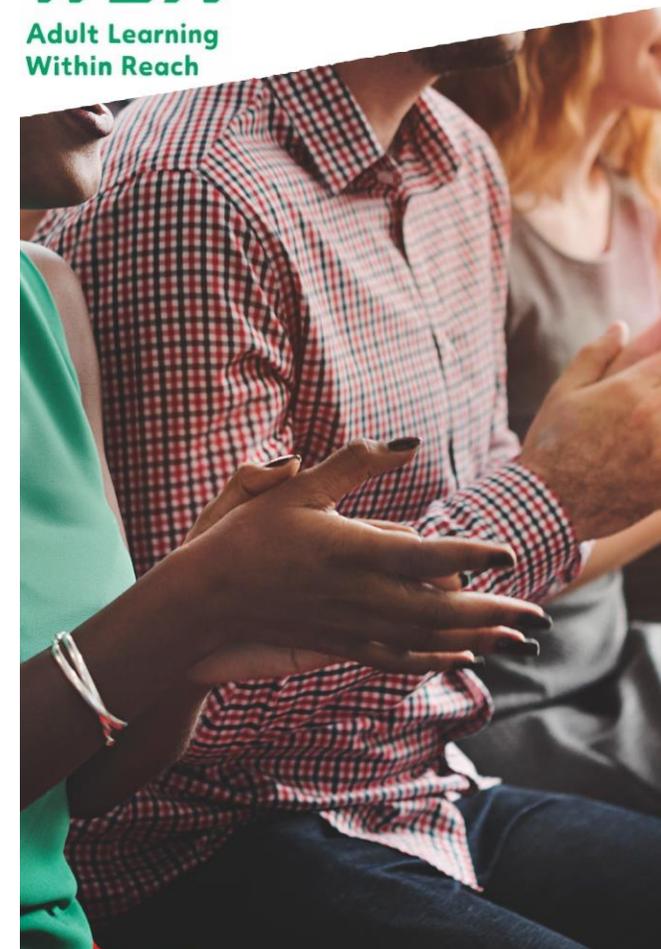

Information on the course venue is available in the course details on our website.

### I might need help with my maths and/or English? Is that ok?

If you would like support with English and/or maths you can indicate this when you enrol.
