

## WEA Student Code of Conduct

When participating in WEA courses and activities, the following behaviour is expected of all staff, students and members:

- Act in a responsible way to safeguard your own health and safety and that of others (in line with the WEA Health and Safety Policy\*).
- Respect the different backgrounds, experiences and lifestyles of others.
- Act in ways which do not discriminate against people of different backgrounds (in line with the WEA Equality, Diversity and Inclusion Policy\*).
- Do not use language which could offend others e.g. racist, sexist, homophobic, ageist, or language offensive to people with a disability.
- If you feel you have been treated with a lack of respect, been harassed, or discriminated against, contact either your course tutor or the WEA Regional Director. They will follow up with you.
- Comply with any other policies of this centre. They will be displayed in the classroom if applicable.

\*All policies are on the WEA website (<http://www.wea.org.uk/about-us/policies>) or are available on request from the Regional Office.
