## **Qualification name & awarding organisation**

Gardening Practical: Summer Gardening at Parkstone ()

## **Level of study**

Advanced

## **Course overview**

The final Summer Gardening Course at the Parkstone Connect Centre Poole. The course will continue learning and embedding skills involved in all aspects of gardening, so the skills learned can be applied to work within and outside the centre. With the weather warming up you will be able to enjoy the fruits of your labour from the previous courses and see how far you have grown

as gardeners. The skills you will learn will be valuable for your everyday life and will continue to be built up in this gardening course. So bring your favourite drink and shovel and dig deep into nature!

## Course description

The final leg of your gardening journey has arrived, and what a celebration it is! Come along and continue your journey into the wonderful world of gardening at the safe and welcoming Parkstone Connect Centre. Develop your skills needed to keep a garden looking alive and beautiful. You will have the opportunity to see the fruits of all your hard work in the previous courses and improve team working skills. You will continue to build and strengthen your knowledge and understanding of how nature and plants live and thrive. By creating a safe shared space for your centre you will bring happiness to you and your friends. As the different plants and flowers bloom, you will bring a sense of belonging and wellness that can be carried out into your daily lives. You do not need any special equipment except enthusiasm and a smile, because who doesn't like being out in the garden? Make sure you are wearing old clothes as you can get dirty. Once this course has completed you can move on to other courses hosted by your tutor and gain more awareness of your community. Do not forget to give your suggestions of the next course to your tutor.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
