E

## **Course overview**

This is a pre-entry ESOL course, this course will give you some skills to communicate some basic ideas in English. Through a range of activities, you will develop skills to help you improve your all your four skills: speaking, listening, reading and writing, with a focus on speaking and listening activities.

## **Course description**

The pre-entry ESOL course is designed to provide basic English to individuals who have just started to learn English as a second language. This short course focuses on getting key skills in reading, writing, speaking, and listening.

This course is for new learners, whether you have no English or just basic knowledge of English. You will build a solid foundation for learning more English.

During the course, you will learn and practice various language make your English better.

By the end of this Pre-Entry ESOL course, you will be able to:

- Understand and improve basic spoken and written communication skills.
- Ask basic everyday life questions and gather information effectively.
- Respond to basic everyday requests appropriately.
- Describe yourself verbally, sharing personal information confidently.
- Use and understand appropriate greetings in different social situations.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
