**Course overview**

This course aims to equip adult learners with the language proficiency and employability skills necessary to pursue job opportunities and succeed in the workplace. Through a combination of language instruction, practical exercises, and real-world applications, ESOL learners will gain confidence in their English language abilities and readiness for employment.

**Course description**

ESOL for Employment course is designed to provide you with the essential English language skills required for success in searching for a job or working within the workplace. This course focuses on improving speaking, listening, reading, and writing abilities within a professional context.

You will engage in interactive lessons which will improve your communication skills and understand and respond to written instructions and documents. Through vocabulary-building activities, you will increase your vocabulary within an employment context and improve your confidence.

In addition to language proficiency, the course emphasizes employability skills crucial for today's competitive job market. You will look at CV writing, completing job applications and practise interview techniques as well as interaction within the workplace.

**What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

**What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
