Course overview

Learners on this course will explore the unique characteristics of the season and learn how to capture their essence on canvas and paper. Through guided instruction, in class sessions, demonstrations and outdoor sketching - (weather permitting), learners will develop their skills in observation, composition, colour theory and brushwork and drawing skills. You will learn how to use a variety of materials to enable you create art pieces.

Course description

This course celebrates the beauty and diversity of the seasons through painting and drawing. Participants will explore the unique characteristics of each season—spring, summer, autumn, and winter—and learn how to capture their essence on canvas and paper. Through guided instruction, studio sessions, demonstrations, and outdoor sketching excursions (weather permitting), students will develop skills in observation, composition, colour theory, and brushwork. Emphasis will be placed on expressing the mood, atmosphere, and changing landscapes of each season through artistic interpretation. Whether depicting blooming flowers in spring, sun-drenched landscapes in summer, colourful foliage in autumn, or snowy scenes in winter, learners will gain a deeper appreciation for the natural world and its ever-changing beauty and also be able to cultivate creativity and personal expression through

interpretation and representation of seasonal themes. Explore the uses of different mediums such as watercolour, acrylics, oils pastels and pencils. You will also learn to incorporate texture, light and shadow to enhance seasonal compositions.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
