Course overview

This ESOL course is for those looking to develop their English language at intermediate level. This course is for those preparing for the accredited ESOL E3 qualifications. It will help you to develop speaking, listening, reading and writing skills in English.

Course description

In this ESOL class we will talk about our everyday lives (for example, shopping, health, where you live). You will practise asking for and giving basic personal information about yourself. You will learn new words and start to develop your reading, writing and speaking and listening skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
