Course description

Even if you have never picked up a pencil before, this course will give you the space and freedom to explore and develop your inner artist. The WEA thrives themselves of providing a safe and fun learning experience for their learners, it is nothing like school!

Discover your hidden artist by using mediums such as pencils, charcoal, watercolour, acrylic and collage. Share your love of the arts with like minded people and be encouraged and motivated to produce work that reflects who you are.

You can even share what you produce on our virtual learning environment Canvas and explore ways to improve and master your skills and techniques.

Build your skills and colour mixing techniques in this friendly group. Bring your favourite materials and by the end of the course you will be hooked. Once you have completed this course you can progress onto the next course in the series: Still Life. Ask your tutor for details about future

courses, and what ones would be best for you.
