## **Level of study**

Beginners

## **Course overview**

Macramé is a creative knotting technique that can be used to make a variety of items like plant hangers, wall hangings, friendship bracelets, belts, and bags. including jewellery and other decorative items. It's a great way to relax and create beautiful art pieces for your home. This is designed to support learners with their health and wellbeing. Learn a new skill which may be a route into employment/self-employment. Save money by making own cakes and potentially selling/small business. During this session Your tutor will give you demonstration and individual attention for your guidance. In this workshop you will be working with a macramé cord and each learner will be able to complete a key chain. It can be used by you or can be gifted to the loved ones.

## **Course description**

It's super easy to get started with macramé – all you need is some macramé cord and a little bit of practice. Macramé is not difficult to learn! Although it may look complicated at first glance, macramé is a simple craft that anyone can learn to do. Once you learn how to tie the basic macramé knots, you can combine them in different ways to create any pattern you can imagine You can make macramé with cords made from a variety of materials, including cotton, linen, jute, leather, or wool. The right size cord will depend on the type of project you choose. You will be amazed that how therapeutic is this. You only require a couple of things to get it started. It is a very economical hobby which is so rewarding. It is good for your health and well-being. Keeps you busy in creating, which is useful not only for you, but you can gift it to your loved ones. Personal colour choice and size makes it perfect for any occasion. It is not like one size fits all rather the beauty lies in customise article.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
