Course overview

Discover the wonderful world of Google Workspace (formerly G Suite): This short taster course will introduce you to the basics of Google Workspace including an overview of how to create and implement it and what you can do with Google Workspace. You will learn how to use and get the most from Google Docs, Sheets, Slides, Meet, Keep, Forms, Gmail, and other apps in Google's Workspace productivity suite. Whether you have studied the content before or are completely new to it, You will find value on this programme. You do not need any special tools to attend, just yourself and some enthusiasm. Start your Google Workspace journey today by registering for this course.

Course description

Google is one of the biggest search engine platforms today. Whether you're a learner, unemployed, small business owner, charity worker, community service operator, or local artist, having a presence online and using Google Workspace can help you get in front of your target audience.

Understanding Google Workspace can help you manage your online administration.

This course is based on face-to-face teaching in an online setting.

On this course, you will learn about:

- How to use Google Workspace
- How to utilise different applications within Google Workspace
- How to collaborate using Google Workspace

In addition to the content, citizenship, employability, and digital skills will also be embedded in the programme.

Assessment of learning will be done regularly throughout the course.

Information, advice, and guidance will also be given to enable further course/professional progression.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
