## **Course overview**

Building a website is easier than you think with WordPress. If you'd like to have a space online to share your thoughts, work, or creations, this beginner's WordPress course can prepare you to launch your site in a matter of weeks. Whether you're a small business owner, vendor, blogger, or just enthusiastic about a subject, you can benefit from having visibility online. This WordPress training takes you through the process of creating your website step by step. This WordPress course is aimed at beginners, so don't worry if this is new to you!

## **Course description**

WordPress is a Content Management System (CMS) which allows you to easily build great looking websites. CMS training courses teach you essential skills to set up and maintain a website.

This WordPress training covers the basics of how to create your website. Explore WordPress' selection of templates, so you don't have to start your site from scratch. Learn to use themes and edit text and colours. You'll also gain familiarity with basic plugins in this WordPress course.

Taking a CMS training course helps you learn digital skills to get in front of your target audience online. If you're interested in other ways of marketing yourself or your services online, you could take a social media marketing course.

If you're interested in digital marketing courses for professional reasons, you can take an accredited digital promotion course.

If you're not sure which course to study after, feel free to chat to your tutor who will be happy to suggest options that could interest you.

You'll need access to the internet to take this WordPress course. Your tutor will upload useful materials to Canvas, the WEA's digital learning platform.

The WEA is committed to accessible adult education for all. If you have any accessibility requirements, please let us know and we will do our best to accommodate your needs.

Most of our courses are free for most of our learners. Please note that you need to get to the end of the enrolment process to see the discounts.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all

we can to make sure you have optimal access.
