Course description

Welcome to the Level 2 Textiles and Dressmaking Course! This course is perfect for those who have some basic sewing skills and want to learn more advanced techniques. In this course, you will improve your sewing skills and learn about different types of fabrics. We will teach you how to handle various materials and choose the best fabric for each project. You will learn advanced sewing techniques like making darts, pleats, and inserting zippers. We will also show you how to make buttonholes and attach buttons. You will practice designing simple clothing items and work on more detailed projects. These projects will help you understand how to create garments that fit well and look professional. Our friendly experienced tutor will guide you through each step, offering help and advice whenever you need it. Throughout the course, you will work on several garments, such as a blouse, a pair of pants, or a simple jacket. By the end of the course, you will have completed these projects and gained the skills to tackle more complex dressmaking challenges. Join us and take your dressmaking skills to the next level! This course is a great opportunity to enhance your creativity and start designing and making your own stylish clothes.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
