Course description

Transform your wardrobe and empower yourself with sustainable fashion skills!

This engaging 6-week hands-on course delves into the world of clothing repair, alteration, and upcycling. Learn practical techniques to mend rips, replace buttons, and give your beloved garments a new lease on life.

Go beyond basic fixes and unlock your creative potential with garment alteration. Discover how to adjust clothing for a perfect fit or completely transform pre-loved pieces into something entirely new through upcycling. By extending the lifespan of your clothes, you'll not only save money but also contribute to a more sustainable fashion future.

This course is designed for all skill levels, no prior sewing experience is necessary! You'll benefit from the guidance of an experienced instructor in a supportive and collaborative environment. Develop valuable life skills, build confidence in your creativity, and connect with a like-minded community who share your passion for sustainable fashion.

Ready to breathe new life into your wardrobe and empower yourself as a sustainable fashionista? Enrol today!
