## Course overview

The ESOL Living and working in UK course is designed for beginners who have little or no prior knowledge of the English language. In a face-to-face, comfortable and very positive environment you will have an opportunity to improve your skill and gain confidence. This course is focused on helping students develop fundamental speaking and listening skills in English. By the end of the course, students should be able to hold simple conversations and understand basic English conversations. Indulge in the topics like : “All about me”, “Talking about your neighbourhood”,

“How do you spend your weekends?” and many more.

## Course description

"This course is perfect for those who want to build a strong foundation in the English language and communicate effectively in English-speaking environments.

Focus is on building language with the use of adjectives, adverbs of frequency, indefinite articles, plural forms, wh-questions, there is, there are forms, sequencing words, pronunciation exercises and many more.

With a holistic approach you will have an opportunity to improve your overall language skills, digital skills, work on your confidence and understanding of aspects connected with living and working in UK.

You will be able to engage in a conversation on a variety of topics with improved speaking and listening skills. You will read instructions and practice writing skills working on short descriptions or filling in forms. Asking for and giving personal information will come with ease after practice during this course.

The WEA specialises in teaching adults. We want you to enjoy your studies, and that's why our tutors take great care to create a positive learning environment.

Most of our courses are free for most of our learners. Please note that you need to reach the end of the enrolment process to see the discounts. "
