Beginners

Course overview

In this comprehensive course, you will dive into the captivating world of acrylic painting. Over the duration of the course, you will be guided through a journey that encompasses fundamental drawing and painting skills. You will develop the ability to recall and apply various drawing and painting techniques with a specific emphasis on the versatility of acrylics. Gain an in-depth understanding of these techniques, enabling you to expertly compare, contrast, and evaluate their effectiveness in your acrylic artwork. At the end of the course, you will put your skills to the test as you independently craft a final outcome in the medium of acrylics.

Course description

In this immersive course focused on acrylic painting, you will delve into the diverse world of artistic expression with practical tasks and peer and tutor feedback. Over five weeks, you will be guided through a creative journey, starting with week 1 and an introduction to drawing and painting. This will focus on continuous line, a technique that will help you develop confidence in your artistic strokes. In week 2 you will explore drawing and painting patterns looking at how they can be incorporated into your acrylic artworks to add depth and intrigue to your compositions. In week 3 you will discover mark making, where you'll learn how to use various tools and techniques to create unique textures and effects in your acrylic pieces. In week 4 still life painting is introduced, and you will explore the beauty of everyday objects with acrylics. In week 5 you will create your own cut outs and will learn how to layer, combine, and manipulate painted elements to create striking acrylic compositions. Throughout the course, you will not only grasp, comprehend, employ, analyse and assess drawing and painting techniques but you will also have the opportunity to independently craft captivating artistic outcomes using acrylics.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment

journey and we will do all we can to make sure you have optimal access.
