E

## **Course overview**

Are you an ESOL learner who wants to start preparing for an Entry Level functional skills course in maths? If so, this course can help to prepare you to study. Set yourself up for success studying adult maths with this preparation course. This course will help you learn maths at your own pace. This course gives you extra study time to acquire the knowledge you'll need for Get Ready For Entry Level 2 maths. This is an introductory maths course for people who are looking to progress to Get Ready for Entry Level 2 functional skills courses. It is a non-accredited adult maths course.

## **Course description**

This course is offered as part of the ESOL entry 1 programmed at the Faith Centre in Burnley. It will be taught by a qualified and friendly tutor.

## What we'll cover

Develop your understanding of numbers, including odd and even numbers, decimals, fractions, and three digit numbers.

Learn addition and subtraction using whole numbers up to 20.

Recognise and be able to express money and time in the correct units.

Gain basic understanding of 2-D and 3-D shapes and be able to describe position and direction.

Read and interpret data in tables, lists, diagrams, and bar charts.

This is a preparation course for the Get Ready for functional skills maths Entry Level 2 qualification. It is not an accredited course.

The aim of this programme is to help you start your functional maths course with the prior knowledge you'll need.

This maths course is for adults. It aims to help you develop basic numeracy skills at your own pace.

When you complete this introductory course, you will be ready to take the Get Ready for functional skills entry 2 course in maths.

## What to expect

This preparation course for functional skills in maths takes around 60 hours to complete. It gives you more opportunities to learn the numeracy skills required for an entry 2 functional skills course.

The WEA is an experienced functional skills course provider. We want you to get the most out of your studies and open doors to opportunities. Our tutors and staff will help you with any needs you might have.

## The WEA

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
