Course overview

Explore your creativity with our Personal Development: Creative Outdoor Crafts course. Learn how to create beautiful crafts using natural materials and outdoor inspiration. Ideal for individuals looking to combine creativity with a love of the outdoors.

Course description

Personal Development: Creative Outdoor Crafts is designed to help individuals explore their creativity through outdoor-inspired crafts. This course covers techniques for creating beautiful and functional crafts using natural materials such as wood, stones, and leaves. Participants will learn how to gather materials, design craft projects, and use various tools and techniques to bring their ideas to life. The course includes hands-on projects, outdoor activities, and expert guidance to support students in their creative journeys. By the end of the course, participants will have completed several outdoor craft projects and gained the confidence to continue exploring their creativity. This course is ideal for individuals looking to combine their love of the outdoors with creative expression.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
