Course overview

Capture the essence of summer in your art with our Art Practical: Abstracting Summer Landscapes course. Learn how to use abstraction to depict the colors and energy of summer landscapes. Ideal for artists looking to explore abstract landscape painting.

Course description

Art Practical: Abstracting Summer Landscapes is designed for artists who want to explore the abstract representation of summer landscapes. This course covers techniques for using color, form, and composition to capture the vibrancy and energy of summer in abstract art. Participants will learn how to work with various media, such as oils, acrylics, and watercolors, to create dynamic and expressive landscape paintings. The course includes guided practice, expert demonstrations, and personalized feedback to help students refine their artistic style and technique. By the end of the course, participants will have completed several abstract summer landscape paintings and gained the confidence to continue exploring the genre independently. This course is ideal for artists of all levels who are passionate about landscape painting and want to experiment with abstraction.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
