Course overview

What do you know about John Singer Sargent? He was a high society portrait painter? He painted Madame X, and Carnation, Lily, Lily, Rose. In this session, you will learn about the life and career of this extraordinary painter, in greater details. American, he lived in Italy, in France and mainly in England, where he became a sought-after portrait painter. But there is much more to Sargent than his portraits of wealthy patrons. We will also discover some of his impressionist paintings and his watercolours. Sargent's art is paradoxical: modern by some features, and classical based on some others. But always, in portraits as in landscapes, he comes across as a brilliant painter.
