Course overview

Advance your printing skills with our Advanced-Autumn Printing course. Learn sophisticated printing techniques and create detailed, autumn-themed artworks. Ideal for individuals with some printing experience looking to refine their skills.

Course description

Craft: Advanced-Autumn Printing is designed for individuals with some experience in printing who want to advance their skills and create detailed, autumn-themed artworks. This course covers sophisticated printing techniques, including linocut, screen printing, and monoprinting. Participants will learn how to design and execute intricate prints, using autumn motifs and themes as inspiration. The course includes hands-on practice and guided instruction, allowing students to refine their technical skills and develop their artistic style. Emphasis is placed on exploring different printing methods and combining techniques to achieve unique effects. By the end of the course, participants will have completed a series of autumn-themed prints and gained the confidence to continue experimenting with advanced printing techniques. This course is ideal for individuals looking to refine their printing skills and create detailed, seasonal artworks.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
