Course overview

With interactive lessons and real-life scenarios, this course equips learners with essential language skills.

Course description

The Getting to Grips with English (ESOL) course is designed to help learners improve their English skills for everyday life, work, and study. It typically includes key areas such as speaking, listening, reading, and writing. Lessons focus on practical communication, including introducing yourself, asking questions, and understanding directions. Grammar basics like tenses, sentence structure, and vocabulary building are often emphasised. The course also covers functional English for everyday interactions including cultural aspects, and confidence-building activities.
