Course overview

This micro course is designed for those who want to explore how to turn their creativity into a business. The course will outline the very basics of what you need to know in order to set up, and start running, a successful arts and crafts business whether creating and selling unique artwork, unique home décor, or jewellery. The course covers how to identify and define your niche within the arts and crafts sector; the basics of pricing products to ensure profitability; key steps to setting up an online shop or selling at local markets; simple marketing techniques to attract customers, including using social media. This course is perfect for beginners and requires no prior business knowledge. By the end of the session, you will have a clear understanding of the first steps needed to launch their arts and crafts venture and make your creative passions profitable.

Course description

This course is designed for those looking to increase their knowledge and awareness of how to set up and run an arts and crafts business. It begins with helping you explore your passion, define their niche, and understand the local and online market. You will discover how to create a simple business vision plan, develop effective pricing strategies, and select the best platforms to sell their products, including online shops, social media, and local markets. The course also covers basic marketing techniques to attract and retain customers, such as building a professional online presence.
