Course overview

Do you want to continue your journey in learning English? Our Improvers ESOL for Life and Work Course is designed for individuals who know some of the English language and want to continue this journey in building a strong foundation in speaking, listening, reading, and writing. This course is perfect for those who wish to improve their communication skills for everyday life, work, or further education. The course will be run face to face for 5 hours per week with a professional and qualified tutor who will support you in a safe and friendly environment in a local community centre; Scaitcliffe Community Centre, Accrington.

Course description

This improves ESOL course is open for new learners so do not worry if you are new to adult education or even new to the country. You will need to have an entry level 2 - entry level 3 ESOL skill to join the course. You will be assessed prior to starting the course.

The course will prioritise the 4 main skills; speaking, listening, reading and writing. It aims to build your confidence and give you the chance to interact with other learners who are a similar level.

The course features interactive lessons, live practice sessions with an experienced tutor, and a relaxed environment that will allow you to learn at your own pace. Join a supportive community of learners from around the world and receive personalised feedback to help you progress. Interacting with peers will create the perfect online community to enhance your communication skills and build your confidence for your day to day lives here in the UK. Enrol today and take the first step towards mastering the English language!

This course is for entry 2 - entry 3 learners and there will be progression opportunities to move toward accredited courses.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
