## **Course overview**

This is a progression course to introduce ESOL learners to living and working in the UK.

## **Course description**

By the end of this course learners will achieve the following learning outcomes:

### 1. Understanding UK Culture and Traditions:

Learners will be able to identify key cultural practices, such as greetings, manners, and public behavior, that are commonly observed in the UK.

### 2. Navigating Everyday Situations:

Learners will develop the ability to use appropriate language to manage common interactions, such as shopping, asking for directions, and using public transport.

### 3. Workplace Communication Skills:

Learners will improve their ability to understand and respond to basic workplace instructions, interact with colleagues, and discuss roles and responsibilities in a UK-based work environment.

### 4. Understanding Local Services and Systems:

Learners will be able to describe how to access essential services, such as healthcare, housing, and banking, and understand the basic requirements for using them.

### 5. Writing for Everyday and Professional Use:

Learners will practice writing simple formal and informal texts, such as filling out forms, writing emails to employers, and basic personal or business letters.
