Course overview

Don't let numbers limit your potential. Gain Confidence, boost opportunities and excel in everyday work & life through our course. In this course, we tackle the common problem of increasing debt caused by the rising cost of living. We'll explore everyday expenses like energy bills, TV, phone, broadband, food, and transportation. The focus is on giving you practical skills and knowledge in numbers to help you manage your money better. You'll learn strategies to be proactive in handling your finances, easing the impact of growing living costs. Enrol on our course to gain useful insights and tools for better financial management

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
