Course overview

Are you looking for functional skills English courses for free??You can boost your maths and English skills with a government-funded course at the WEA.?If you are over 19 and don't have an English GCSE at C or Grade 4, then you can study for free.? Not having a qualification in English can hold you back. In many cases, you will need it for apprenticeships or to get a job.?Maybe you want to ace your GCSE retakes but the idea of going back to school fills you with dread. Or you want a level 2 qualification, but you don't want to do GCSEs again. This is where the WEA comes in.? We're not like a school or a college; we're adult learning specialists. Our English functional skills classes help you build on the skills that you use every day. We make our courses fun and easy to learn.

Course description

Are you looking for functional skills English courses for free??You can boost your maths and English skills with a government-funded course at the WEA.?If you are over 19 and don't have an English GCSE at C or Grade 4, then you can study for free.?

Not having a qualification in English can hold you back. In many cases, you will need it for apprenticeships or to get a job.?Maybe you want to ace your GCSE retakes but the idea of going back to school fills you with dread. Or you want a level 2 qualification, but you don't want to do GCSEs again. This is where the WEA comes in.?

We're not like a school or a college; we're adult learning specialists. Our English functional skills classes help you build on the skills that you use every day. We make our courses fun and easy to learn.
