## Course overview

An ESOL Conversation class at Entry 3 and above helps learners build confidence speaking in everyday and simple work situations by practising longer sentences, useful phrases, and sharing ideas. It also includes group discussions, role?plays, and listening tasks to help learners understand key points and respond clearly.

## Course description

An ESOL Conversation class at Entry Level 3 and above helps learners speak more clearly and confidently in everyday and simple work situations. Lessons include practising longer sentences, using common phrases, and learning how to share ideas and opinions. Learners take part in group discussions, role?plays, and listening tasks to help them understand main points and give simple, clear responses. The class also helps learners build useful vocabulary so they can join conversations and handle real?life situations more independently.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
