This course is funded by the Greater Manchester Combined Authority and is only available to residents living within the Greater Manchester Combined Authority area. Develop skills to help you read, write, and communicate in English with confidence. Improved language skills open doors to work and study opportunities and help you learn key skills for employment. Level 1 functional skills courses are not like learning English at school. They're created by adults for adults, and aim to teach you practical English skills through real-life situations. Strengthen your writing skills and learn reading techniques to help you tackle everyday situations at work or while studying. This adult English course helps you develop your language skills through real-life situations. Functional Skills level 1 is a government-funded accredited English course for adults. Functional Skills qualifications are free if you don't already have a GCSE in English or Maths at grades A*-C, or 4-9. We'll check your level and any previous qualifications before you start. This ensures you are on the correct course.
