Qualification name & awarding organisation

Award in Creative Craft (Textiles) Level 2 ()

Level of study

2

Course overview

This course is funded by the Liverpool City Region Combined Authority and is only available to residents living within the Liverpool City Region Combined Authority area. This NCFE Level 2 Award in Creative Craft (Textiles) is ideal if you want to deepen your skills and confidence in textile-based crafts. You'll explore materials, tools and techniques, develop creative ideas, and produce a final textile item that reflects your learning and personal style. The course supports progression to further study or creative enterprise.

Course description

You'll begin by learning how to use a variety of materials, tools and equipment safely and effectively to develop your textile craft techniques. You'll explore their properties and experiment with different ways to manipulate and combine them. You will focus on developing your own creative ideas. You'll be encouraged to research, plan and refine your designs, considering both aesthetic and practical aspects. This unit supports your ability to think creatively and critically about your work. You will create a finished textile item, present it appropriately, and evaluate the process and outcome. You'll reflect on your learning, assess your use of materials and techniques, and consider how your work could be improved or developed further

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
