There are lots of hints and tips for staying safe online.

Keep your personal information, devices and you safe

Do not share:

- ▶ your email address
- ▶ telephone number
- ▶ passwords
- ▶ never open files or click on links in emails you did not expect to receive
- ▶ if in doubt, block. Just say no to invitations from people you don't know

If you ever feel worried, contact your tutor or the safeguarding officer for your region. You can find more hints and tips over on our website at **wea.org.uk/help-and-support/keeping-yourself-safe-online**

There's also further advice and guidance at **getsafeonline.org**

See the staying safe module in your Canvas course for more online safety links.
