

Safeguarding: our responsibilities and WEA contacts

The WEA is committed to providing a welcoming environment where everyone is respected and valued, and can feel safe and secure. All learners and staff (including tutors, crèche and support workers, volunteers and trustees) are responsible for creating an environment that promotes well being and ensures personal safety.

The WEA recognises its particular responsibility to safeguard the wellbeing of children and adults engaged in the range of its activities by ensuring that appropriate arrangements are in place to provide a safe and secure environment and to deal with issues concerned with suspected or reported abuse of children and adults at risk. All tutors are trained in safeguarding procedures.

Any issues or concerns should be reported via line managers or to the regional Designated Safeguarding contacts which can be found on the following pages.
