

# New WEA Personal Development Courses

## WEA Development Suite

WEA have developed a suite of courses designed to be delivered with a modular approach. Choose an individual course or, mix & match from our suite to deliver a full programme to your delegates.

Please get in touch if you have any requirements outside of this list and we will work with you to develop a range of learning to suit the ever-changing needs of your workforce.

- DEI & Unconscious Bias
- Neurodiversity
- Introduction to AI
- Confronting Racism in the Workplace
- Sexual Harassment in the Workplace
- Workplace Communication Skills
- Resilience & Change Management
- CV Writing Workshops
- Interview Skills
- Presentation Skills
- Work-Life Balance
- Workers' Rights incl. Modern Slavery
- Gender Bias in the Workplace
- Women's Empowerment

All courses can be delivered individually or, mix & match your choice to create your own programme.
