WEA Adult Learning
Within Reach

wea.org.uk/eastmidlands

Learn the WEA way. Your way.

Welcome to the UK's largest voluntary sector provider of adult education.

At the WEA, we believe all adults should have access to the opportunities of education, right on their doorstep. With 2,000+ dedicated tutors, 3,000+ active volunteers and supportive members, working across 2,000+ course venues - we spread our impact nationwide.

Together, we believe in access to adult learning for all.

We believe in lifelong learning for all.

And, we believe adult learning counts towards a better, fairer society for all.

Whether it's about feeling better equipped with the skills to take on tomorrow, or it's simply learning and debating ideas for the joy of it - we're here, together, to make good things happen in our communities and to our society.

All you need to bring is your willingness and excitement to learn.

Enrolment and Support

How do I enrol?

Courses are available to book online or by calling us. We recommend booking quickly to avoid disappointment. The courses listed here are simply a flavour of our offerings. For other courses in your area please visit our website.

W. wea.org.uk T. 0300 303 3464

Can I enrol in person?

Possibly. You may be able to turn up at the first session and get involved, but only if the course isn't fully booked. It's much safer to enrol beforehand. Some courses require that you attend a pre-assessment session to check that the course is suitable, but we'll make that clear in the course details.

Are classes reliant on size?

Yes. If numbers are too low the course may be cancelled or re-arranged to another time.

I have some questions.

Who do I ask?

Give us a call on **0300 303 3464** or take a look at our website wea.org.uk

We offer information and advice about:

- ▶ Choosing the right course
- ▶ Fees and financial support
- ▶ Learning support
- ▶ Progression
- ▶ The WEA

I'd love to do a course but I can't afford it. Can you help?

We want our courses to be within reach of all adults, so you may be eligible for financial support if you are on a low income or receive income-related benefits. This could include help with childcare, travel costs, exam fees, books, costs of field trips and tuition fees under certain circumstances.

What if I have a disability, learning difficulty, health issue or other support needs?

Then we're ready to help as best we can. Call us as soon as possible so that we can make plans before you start a course.

Do you choose accessible venues?

We try to, wherever possible, but we can't guarantee it in all cases. Get in touch for details of a venue's accessibility.

I might need help with my maths and/or English? Is that ok?

Of course. If you would like an assessment, or you want to discuss support with your tutor, then contact us before your course begins.

Course Fees and Support

How are courses funded?

The WEA receives public funding from the Education and Skills Funding Agency (ESFA) for the majority of our courses. This funding supplements the fees paid by students and sponsors. For most of our courses, this funding is only available for people who are 19 or over on the 1st September 2018.

Are some courses free?

For ESFA funded courses, you are entitled to free tuition if you receive certain benefits, as listed below (or if you are dependent on someone who receives those benefits). You may be asked for evidence of your benefit status such as a letter from Job Centre Plus.

- ▶ Job Seekers Allowance
- ▶ Employment and Support Allowance (ESA - work related)
- ▶ Universal Credit and earn less than £338 per month or household earns less than £541 per month
- ▶ Income Support, Housing Benefit, Council Tax Reduction (not single occupancy discount) or Employment and Support Allowance (ESA) support group
- ▶ Working Tax Credit
- ▶ Pension Guarantee Credit
- ▶ Asylum Seeker

Please note these may be subject to change due to funding requirements.

The information in this brochure is correct at time of going to print, but may be subject to government funding changes.

What does a course cost?

For students who are required to pay a fee for their courses, fees are shown against each course or on the page where the course appears. All students will be asked to provide their date of birth at the time of completing an enrolment form. This information is required by our funders - if this information is not provided, a higher course fee will be payable as we will be unable to claim funding for you.

What if I'm new to the UK?

Students who have not been resident in the UK/EU for the last 3 years will be required to complete a Student Eligibility Form and provide appropriate evidence. If this information is not provided a higher course fee will be payable as we will be unable to claim funding for you.

Can I apply for a loan?

Yes. There are Advanced Learning Loans available for all students aged 19 and above studying vocational, technical and professional qualifications at Level 3 and above. The loans will apply if you are starting a higher level course on or after 1 August 2018.

Can I cancel my course?

You can cancel a course booking at any time by informing the WEA in writing. You may be eligible for a partial refund - give us a call to find out more.

Can I pay by instalment?

This is available on some longer WEA courses which are 40 hours or more long. For full details of WEA course fees, refunds and cancellations, as well as other support which may be available to you, please visit our website.
