Enrolment and Support

How do I enrol?

Courses are available to book online or by calling us. We recommend booking quickly to avoid disappointment. The courses listed here are simply a flavour of our offerings. For other courses in your area please visit our website.

W. wea.org.uk T. 0300 303 3464

Can I enrol in person?

Possibly. You may be able to turn up at the first session and get involved, but only if the course isn't fully booked. It's much safer to enrol beforehand. Some courses require that you attend a pre-assessment session to check that the course is suitable, but we'll make that clear in the course details.

Are classes reliant on size?

Yes. If numbers are too low the course may be cancelled or re-arranged to another time.

I have some questions.

Who do I ask?

Give us a call on **0300 303 3464** or take a look at our website wea.org.uk

We offer information and advice about:

- ▶ Choosing the right course
- ▶ Fees and financial support
- ▶ Learning support
- ▶ Progression
- ▶ The WEA

I'd love to do a course but I can't afford it. Can you help?

We want our courses to be within reach of all adults, so you may be eligible for financial support if you are on a low income or receive income-related benefits. This could include help with childcare, travel costs, exam fees, books, costs of field trips and tuition fees under certain circumstances.

What if I have a disability, learning difficulty, health issue or other support needs?

Then we're ready to help as best we can. Call us as soon as possible so that we can make plans before you start a course.

Do you choose accessible venues?

We try to, wherever possible, but we can't guarantee it in all cases. Get in touch for details of a venue's accessibility.

I might need help with my maths and/or English? Is that ok?

Of course. If you would like an assessment, or you want to discuss support with your tutor, then contact us before your course begins.

Course Fees and Support

How are courses funded?

The WEA receives public funding from the Education and Skills Funding Agency (ESFA) for the majority of our courses. This funding supplements the fees paid by students and sponsors. For most of our courses, this funding is only available for people who are 19 or over on the 1st September 2018.

Are some courses free?

For ESFA funded courses, you are entitled to free tuition if you receive certain benefits, as listed below (or if you are dependent on someone who receives those benefits). You may be asked for evidence of your benefit status such as a letter from Job Centre Plus.

- ▶ Job Seekers Allowance
- ▶ Employment and Support Allowance (ESA - work related)
- ▶ Universal Credit and earn less than £338 per month or household earns less than £541 per month
- ▶ Income Support, Housing Benefit, Council Tax Reduction (not single occupancy discount) or Employment and Support Allowance (ESA) support group

Please note these may be subject to change due to funding requirements.

The information in this brochure is correct at time of going to print, but may be subject to government funding changes.

What does a course cost?

For students who are required to pay a fee for their courses, fees are shown against each course or on the page where the course appears. All students will be asked to provide their date of birth at the time of completing an enrolment form. This information is required by our funders - if this information is not provided, a higher course fee will be payable as we will be unable to claim funding for you.

What if I'm new to the UK?

Students who have not been resident in the UK/EU for the last 3 years will be required to complete a Student Eligibility Form and provide appropriate evidence. If this information is not provided a higher course fee will be payable as we will be unable to claim funding for you.

Can I apply for a loan?

Yes. There are Advanced Learning Loans available for all students aged 19 and above studying vocational, technical and professional qualifications at Level 3 and above. The loans will apply if you are starting a higher level course on or after 1 August 2018.

© The Grange Community Centre, Vicarage Lane, Radcliffe-on-Trent, NG12 2FB

This course explores the origins of the crusades, the role of the papacy in forging a new interest in the Holy Land and the Muslim Jihadi response. How did Christians and Muslims perceive each other? How war was waged between them? The role of the military orders, such as the Templars and Hospitallers, will be analysed and will question how their rise challenged attitudes towards orthodoxy and stimulated the popular imagination. Finally, consideration will also be given to whether what we think about the crusades really matters today; from Walter Scott to Ridley Scott.

We will study the social history of the Regency period which forms the setting for Jane Austen's novel Emma - a period of lavish hospitality among country gentry, but also of huge cultural and social change. Exploring the novel's social settings, comedy and morality, we make time too for sheer enjoyment.

WEA

Adult Learning
Within Reach

When I first started volunteering in the WEA office, I was very nervous and unsure of myself. I lacked confidence – I couldn't even answer the phone. I've come a long way since then. It's great to engage in work that's satisfying and work with people to improve my communication skills. I've helped the WEA and the WEA has helped me and together we've achieved a great deal.
